Please complete all information sheets (green, blue, pink, yellow). All questions must be **completed**. Please bring this paperwork with you to your appointment.

Please bring all x-rays, CT scans, MRI scans, or other studies that relate to the problem for which you are being seen. You will need to give the facility that performed these studies at least 24-hour notice prior to picking up the films. If you have had any treatment in the past for this problem, please bring those records with you as well.

Our physician will need to see the actual films and reports. **If you forget to bring these with you, your appointment may have to be rescheduled.**

If you carry no medical insurance, you will be responsible for your charges at the time of the visit. Insurance copays are also due at the time of the visit.

If you have any questions, please call our office at (256) 533-1600.
